Subject: Advisory on reporting issues due to COVID-19 expected on Monday, March 30, 2020

Dear ICIS-NPDES and NetDMR contacts,

We hope this email finds you all doing well. As you know, ongoing efforts to limit the spread of COVID-19 have created unprecedented challenges for the regulated community. Accordingly, we are developing a specific advisory regarding meeting NDPES reporting requirements. This advisory complements the temporary policy regarding EPA enforcement of environmental legal obligations during the COVID-19 that the U.S. EPA, Office of Enforcement and Compliance Assurance issued yesterday, March 26, 2020. We are working to issue the advisory as soon as possible but hopefully by Monday, March 30.
